Structured feedback and review of the syllabus (semester-wise / year-wise) is obtained from 1) Students 2) Teachers 3) Employers and 4) Alumni in 2023-2024

Structured feedback and review of the syllabus are essential to ensuring its relevance and alignment with academic and industry standards. Feedback is systematically collected from key stakeholders, including students, teachers, employers, and alumni, to identify areas for improvement and innovation. This feedback is carefully analyzed, and actionable recommendations are presented to the Governing Council, Syndicate, or Board of Management.

The Action Taken Report documents the measures implemented based on the feedback, showcasing the institution's commitment to academic excellence and responsiveness to stakeholder input. This report highlights the initiatives undertaken to enhance curriculum design, teaching methodologies, and overall educational outcomes.
