

Prospectus 2016-17

Panskura Banamali College

About us:

Panskura Banamali College (affiliated to Vidyasagar University) is a (State) Govt. aided college. This was accredited with grade "A" by NAAC in 2005.

Our college is arguably the largest college in Rural Bengal in terms of the strength of students and the number of subjects taught at the undergraduate and postgraduate levels. Recently, UGC has elevated the status to a Ph.D. Degree College.

The college campus consists of a lush green football ground and other open areas for various sports, flower and herbal gardens, several large buildings, general auditorium, gymnasium, Seminar room, Indoor sports complex and Yoga room, students' hostel, bank, photocopy facility, students' canteen and common rooms, cycle stand, teachers' accommodation, Principal's quarters *etc.* besides filtered drinking water, library with OPAC system and internet facilities for students.

Attempt is always made to revamp the outlook of the college by painting all the

buildings and through major repair works and constructions, to improve the class room infrastructures and to equip with modern facilities. There are several proposed and under-constructed projects like the shifting of Library to a separate building, new constructions for cycle stand, swimming pool, girls' hostel inside the extended campus, opening of a canteen with modern facilities and subsidized food, air conditioned library reading room and labs.

Various subjects in Science, Humanities and Commerce are taught at the **undergraduate (UG)** and **postgraduate (PG)** levels apart from some non-traditional and career oriented subjects. PG courses are offered in *Bengali, History, Geography, Physics, Chemistry, Mathematics and Computer Science*. Non-traditional courses are offered in *Microbiology, Biotechnology, Computer Science and Computer Applications*. Teachers' Training courses (**B.Ed.**) and Training in Physical Education (**B.P.Ed.**) are also two important directions at this Institution. Admission to M.P.Ed. course from this session will open up further opportunities for aspiring students.

The college has to function in three shifts: *Day Section, Morning Section (Extended Day) and Evening Section.*

Our college receives a well-mixed pool of students from rural and urban areas. Our students come out with flying colours and they do well in further higher studies. It is glad to note that many of our students excel in Research works and in high profile jobs all over the country and abroad.

A Golden History:

Our College celebrated its **Golden Jubilee** in 2010. The foundation stone of our college was laid on 14th of December, 1960. Following the long cherished dream of the local people and their concerted efforts for opening up a degree college, a wealthy and cultured person of this soil, *Late Banamali Charan Khatua* showed his love for spreading higher education. He undertook the responsibility of developing a college building at its present site. The land was donated by a local gentleman *Late Hasmat Ali Khan* and his co-sharers. The college eventually came to be named as '*Panskura Banamali College*' after its principal donor and this institution continues to be a unique symbol of aspiration for higher education and excellence at the locality.

How to reach:

Governing Body:

The college is situated by the road connecting Panskura Railway Station and the National Highway No. 6 (NH6, Mumbai Road), a walking distance from Panskura Station. Panskura is a model station, 71 Km from Howrah on the way to Kharagpur (SE Railway). There are frequent local train services between **Howrah** and **Kharagpur** besides some passenger and express trains also stop here. It is easy to reach Panskura by train or by bus from all directions.

Principal:

Prof. (Dr.) Nandan Bhattacharyya, M.Sc.,
Ph.D, ASBMB, Sigma XI

From Principal's Desk:

Welcome to our beautiful college campus. We here aim to impart knowledge and training with utmost sincerity. We attempt to provide good quality infrastructure, resources and facilities for learning.

We believe in openness and participation that may help all-round development and growth of students. Our vision is to emerge as a leader in education in West Bengal and in India.

Our strength lies in the beautiful teacher-student relationship and a prevailing atmosphere conducive to learning.

"Information is not knowledge, knowledge is not wisdom, wisdom is not truth, truth is not beauty, and beauty is not love."
